*1 Don Quijote Co., Ltd., Nagasakiya Co., Ltd., UD Retail Co., Ltd., Tachibana Departmentstore Co., Ltd., and UNY Co., Ltd

1. In domestic retail, the "Maji Super Thanks Event" were held in the later half of June to celebrate annual saless surpassing 2 trillion yen

The promotion of PB and other plans for Majica app members have been successful, leading to increased sales and customer numbers across various categories. This June, compared to the last June, having one more weekend has resulted in a $3.7 \%$ increase.
2. In the discount store business, all product categories have been performing well, notably with rural roadside locations showing sales growth this June Particularly, seasonal product demand has increased, with non-portable/portable fans experiencing growth. Leisure items such as outdoor and car accessories, and waterplay products have also landed above last year's figures. The increase of one additional weekend has resulted in a $+3.8 \%$ boost.
3. In the GMS business, a return in sales has been seen, driven by increased demand for summer jackets, $t$-shirts, and other items for men and women. Also there has been a significant growth in denim and sportswear for young people. Daily consumables, miscellaneous goods, and food products are also seeing increased sales as pricing strategies continue to take hold. The increase of one additional weekend has contributed to a $+3.3 \%$ growth.
