1. Don Quijote closed its book for FY June 2013. The number of store reached 200 with 16 new stores opened this year including 3 stores opened in June.
2. The average temperature at the beginning of June was higher than last year nationwide with less rainy days. On the other hand, there was high precipitation in the eastern Japan during the rainy season in late June, but favorable weather on weekends boosted the customer traffic.
3. Sales trend by product category:

Home electronics segment: The sales of seasonal items such as air-conditioners, fans soared.
Sundry goods segment: It was driven by kitchen goods and daily consumables such as shampoos, body soaps and detergents.
4. Food segment: The sales of breads, noodles and condiments made of wheats and oils were slow, impacted by the surging raw materials. However, drinks and snacks boosted the segment.
Sports \& Leisure goods : Outdoor goods contributed which are represented by insecticides, refrigerants and fireworks made the double digits growth.
New store opening in July : None.The results of FY2013 will be announced on August 16th
