※This financial summary is not subject to quarterly reviews.
※Explanation regarding the appropriate use of forecasts of business results
The financial forecasts of business results are based on judgments and estimates that have been made using currently available information. By nature, such financial forecasts are subject to uncertainties and risks. Therefore, actual results might be significantly different from the aforementioned forecasts for a variety of reasons, including changes in economic environments related to our business, market trends and exchange rates.
※The Company plans to hold financial results briefing for securities analysts and institutional investors on November 6, 2018. Presentation materials will be available on the Company's website.
